

# 2012 Holiday Toy Drive

The Court Operations Division Toy Drive for the Children's Justice Center starts now and runs through December 7, 2012.

The **Children's Justice Center** provides supervised visitation services for children who are currently involved in the court system. Many of these children are in foster homes or subject to injunction protection - others are involved in custody disputes. All require special services to ensure their safety is protected while visiting with parents and family members.

Buy a new toy for a needy child or make a donation and we'll buy the toy for you. Each toy should cost between \$10 and \$20 dollars and should be provided unwrapped. Monetary donations can be for any amount.

The Court Operations Division is once again coordinating the CJC Toy Drive. Last year's toy drive was a huge success. With your help, we were able to provide gifts to 108 children. Please help us continue with this important tradition.

Please contact Sarah Oliver at 242-5062, Tami Roberts at 242-5000, or Major Livingston at 242-5061 to select a child to go shopping for and/or make your donation.
