

A Legal Guide for New Adults

TALLAHASSEE -- When you had your 18th birthday, you became an adult by law. The *Legal Guide for New Adults* is designed to help new adults understand their new rights and responsibilities.

The guide is part of an overall effort by The Florida Bar Law Related Education Committee to instruct young adults regarding employment, consumer protection laws, criminal charges, jury duty, voting and many more topics.

During the current school year, the Bar has distributed more than 183,000 guides to 760 public high schools in Florida.

The [*Legal Guide for New Adults*](#) is available to private high schools and the general public for a nominal fee and can also be [downloaded](#) at no additional charge.
