### **Announcement: E-Filing Changes in 13th Judicial Circuit**

The 13<sup>th</sup> Judicial Circuit implemented JAWS 5.0 on September 1, 2020. This software upgrade addresses a Florida Supreme Court mandate, requiring that all Florida courts utilize the statewide filing portal. All attorneys must then begin filing documents in 13<sup>th</sup> Circuit cases via the portal beginning September 1<sup>st</sup>. Attorneys who don't already have a portal account will need to create one. Additional information, to include instructions on creating a portal account, can be found at <https://www.myflcourtaccess.com>.
