

IN THE THIRTEENTH JUDICIAL CIRCUIT FOR THE STATE OF FLORIDA
CIRCUIT CIVIL DIVISION

JACOB GUY,

Petitioner,

vs.

STATE OF FLORIDA DEPARTMENT
OF HIGHWAY SAFETY AND MOTOR
VEHICLES,

Respondents.

CASE NO.: 25-CA-004334

DIVISION: F

ORDER DENYING PETITION FOR WRIT OF CERTIORARI

The petition is DENIED. *Willett v. Dep't of Highway Safety & Motor Vehicles*, 21 Fla. L. Weekly Supp. 309 (13th Cir 2013) (finding that entry of inadmissible evidence is not a departure from the essential requirements of the law where “the record is replete with competent, substantial evidence upon which the hearing officer could determine that probable cause existed to arrest Petitioner for DUI”). To the extent Petitioner argues Respondent lacked jurisdiction to hold a formal review after the six-month suspension period expired, Petitioner has cited no authority requiring, or even allowing, Respondent to overturn an order of suspension or order of disqualification based on its failure to conduct a hearing prior to the expiration.

ORDERED in Tampa, Hillsborough County, Florida, on the date imprinted with the Judge's signature.
