

Lactation Rooms

Are you a mother who is breastfeeding or pumping and looking for some privacy while at the courthouse?

The 13th Circuit has two lactation rooms for all mothers in need of some privacy.

Proceed to either Information Desk to gain access:

6th floor of George Edgecomb

or

2nd floor of Annex

Remember: If you are at the courthouse for jury duty, inform jury services, the bailiffs, and/or the judge of your need to pump.
