

Thirteenth Judicial Circuit Veterans Treatment Court

Prohibited Substances and Medications

The list below provides examples of substances and medications that are prohibited in the Thirteenth Judicial Circuit Veterans Treatment Court. Please note this is not a complete list. Please contact the case manager for the Veterans Treatment Court or other Problem-Solving Court Program case managers within the Thirteenth Judicial Circuit for further clarification of any substance and/or medication not listed below.

Maintaining a drug-free lifestyle is essential to your recovery. Aside from illegal substances and alcohol (in any form) you are prohibited from using certain prescription medications and are required to have all prescriptions or over-the-counter medications approved by the Court prior to purchasing or ingesting any prescribed or over-the-counter medication.

Any and all “designer drugs” that can be purchased legally or illegally are strictly prohibited. Any and all “smoking mixtures” (other than products specifically designated to contain only tobacco – for adults only) are strictly prohibited. Any and all products sold or marketed under false pretenses with the warning “not for human consumption” are strictly prohibited. In addition, using and/or being in possession of any alternative or “replacement” drugs such as Methadone and/or Suboxone as well as any substance intended to replace an otherwise illegal substance is strictly prohibited and may result in immediate expulsion from the Problem-Solving Court Program.

Examples of Prohibited Substances and Medication Classifications	Examples of substances prohibited in all Problem-Solving Court Programs are listed below.
