CASE MANAGEMENT ORDER NO. 3

I. SCOPE & APPLICABILITY OF THIS ORDER

This Court previously entered Case Management Order (“CMO”) No. 1 on March 12, 2008 and CMO No. 2 on June 6, 2008 to govern the *Engle* Progeny Cases pending in this Circuit. CMO No. 3 supplements CMO No. 1, but shall not be construed to modify or alter CMO No. 1 except as expressly set forth below.

II. MODIFICATIONS TO CMO NO. 1

Section X of CMO No. 1, SCHEDULING OF CASES FOR DISCOVERY AND TRIAL, is hereby modified and supplemented as follows.

A. Modified Activation of Cases for Pretrial Fact Discovery

Given the Court’s and parties’ experience with case activations and discovery to date, twenty (20) cases shall be permitted to be activated (the “Activated Cases”) for each quarter year beginning on January 2, 2009 and quarterly thereafter. Said activations shall occur on the first business day of January, April, July, and October for each calendar year hereafter. At the time of activation, an “Activated Case Scheduling Order,” the form of which is attached hereto as Exhibit 1, shall be entered by the Court for each Activated Case. Other than the discovery deadlines set forth in Exhibit 1, there shall be no further discovery deadlines that apply to

Activated Cases until the case is designated for trial as set forth below.

All Scheduling Orders for cases activated for discovery pursuant to CMO No. 1 prior to entry of CMO No. 3, but not designated for trial either pursuant to Court Order or notice by Plaintiffs as provided for herein remain in force for only those deadlines that are also set forth in the template "Activated Case Scheduling Order" attached hereto. No further deadlines will apply in these cases until a case is designated for trial as set forth below.

B. Designation of Cases for Trial

Beginning on January 2, 2009, Plaintiffs may file a notice designating up to nine (9) cases for trial (the "Trial Designated Cases") per quarter year. Such designation shall occur on the first business day of January, April, July, and October for each calendar year hereafter. Upon designation, the Court shall enter an Order directing the Clerk to immediately reassign the Trial Designated Cases to a division in the General Civil Division pursuant to Administrative Order S-2008-166, entered by Chief Judge Manuel Menendez, Jr. on December 4, 2008. At the next available Uniform Motions Calendar (UMC) following reassignment pursuant to Administrative Order S-2008-166, a "Scheduling Order for Trial Designated Cases," the form of which is attached hereto as Exhibit 2, shall be entered for each Trial Designated Case by the judge assigned to the Trial Designated Case.

No case may be designated for trial in the same quarter that it is activated. For any case designated for trial on or after January 2, 2009, no trial shall occur in a Trial Designated Case earlier than nine (9) months from the date of its notice as a Trial Designated Case.

Unless otherwise modified by court order or the agreement of the parties as to all cases or an individual case, all Scheduling Orders for cases designated for trial either pursuant to Court Order or notice by Plaintiffs prior to the entry of CMO No. 3 remain in full force and effect.
