Defendant further acknowledges the following in open court:

**I WISH TO PROCEED *WITHOUT* AN ATTORNEY.**

I have been told that I have the right to be represented by an attorney at every stage of my case, and if necessary one will be appointed to represent me at a reduced costs. I understand that I will not get any special consideration from the Court because I am representing myself. I understand the advantages of having a lawyer represent me, as well as the dangers and disadvantages of self-representation. I further understand that if I retained or was appointed an attorney, that attorney could, among other legal duties, perform the following services:

1. Investigate my case and obtain information through use of the discovery process.
2. Assist me in preparing my case for court.
3. Uncover potential violations of my constitutional rights and take effective measures to address them.
4. Subpoena my witnesses and gather evidence.
5. Assist in trial preparation and trial strategy.
6. Question potential jurors in my case.
7. Advise me as to whether entering a plea is in my best interest.
8. Help me in negotiating a resolution of my case with the State.
9. Advise me of the advantages and disadvantages of what I might say to the Court during the plea hearing or a sentencing hearing that may follow.

VOLUNTARINESS: This plea is the result of my own free will. I am not under the influence of any drugs, alcohol, or medication which is affecting my ability to understand these proceedings. No one is using any force, or threatening me in any way, in order to get me to enter a plea today. Nothing is affecting my ability to think clearly.

My attorney and/or I can cross-examine each of the state's witnesses and object to their evidence. I can call my own witnesses and introduce my own evidence. If necessary, the Court will use its powers to make sure my witnesses show up in court. In a trial by jury, my attorney and/or I will have an opportunity to question members of the public with valid driver's licenses, six of whom will be chosen.
